

## Pre-School news

### Cultural Capital

"Cultural capital is the essential knowledge that children need to prepare them for their future success. It is about giving children the best possible start to their early education" - Ofsted

This month we continue our Cultural Capital Outings. Each school riser (children due to start school this September) will have the opportunity to explore the wider community and local areas for fun, educational visits. This month some of our trips include Cardinham Woods, Lostwithiel and Polkerris Beach

### Themes and Intentions

March 3rd is World Book Day but we love books so much we have decided on a 2-week celebration of story books from all around the world! Each staff member has picked a different story to explore each day for the first two weeks of term. This will be great for sharing new stories with the children as well as reading lots of favourites too.

As Spring starts to get closer we will be exploring seasonal changes and thinking about signs of Spring in nature. You can support this learning at home by talking about signs of Springs when you are out for a walk, such as daffodils popping up and baby animals such as lambs being born. We would love to see your Spring photos on Tapestry!

### Staff Update

This term we welcome Kelly and Seb to our staff team. Kelly has a degree in Early Years and is taking the role of Early Years Educator. Kelly will also be the Staff Wellbeing Lead to ensure our staff team are nurturing their own wellbeing as well as the wellbeing of the children in our setting. Seb is our new Mess Assistant and has been a huge help over the last couple of weeks; plus the children think he is actually a superhero!

### Thank You

Thank you to the staff and parents who came and helped out during the half term with general maintenance and tidying up. Extra thanks to the staff children who helped us move 850kg of sand from the forecourt to the garden. What little superstars!

As always, thank you for the continued support of our families and the community,
