## Summer Term Events

**We are delaying the usual timing of our end of term events, such as sports day and the leavers ceremony until the start of September 2020, before school starts.**

**We hope that by waiting a few weeks that more friends will be able to attend, in safer circumstances.**

## **Welcome Back to Our Families!**

It is not quite the re-open we were hoping for, but we are delighted to be back with some of our children and families, for the end of Summer Term 2020.

We have sent our families a copy of our updated COVID-19 operation procedure by email. To simplify this long detailed information, we have created a COVID-19 parent support document. Please take the time to read through this and speak with me if you have any questions or concerns. Thank you for your support.

## **June Topic Themes & Intentions**

June topic is '30 days Wild', a perfect focus for all our outdoor time. We will be exploring different aspects of nature, such features, patterns, shapes, colour, textures, plants and animals. This is a nationwide event, hosted by The Wildlife Trust. They have a great website and this year, also an app, with loads of wild ideas.

## **Tree-School Pre-School off site at CHICKS**

All children attending pre-school in our summer term groups will have Forest School built into their group sessions. School Risers will have a Tree-School session on either Monday or Tuesday and our younger friends will go to Tree-School on Thursday or Friday. I cannot stick to the same days every week, as I have a lot of video meetings and appointments I need to attend this term, so I will have to work around these commitments.

There is a separate newsletter all about Tree-School.
