Autumn Themes & Intentions

We are now in our 'Pirates' topic, which explores nautical themed storytelling, developing awareness of the sea and investigating what lives there. The next topic will be a seasonal exploration of harvest, farms and Halloween.

Please bring in to share

Anything with a sea, pirate or autumn theme for topic show and tell chats

Ideas to continue our learning themes at home

Noticing the season changes together, using descriptive words or sounds for textures of leaves or other natural items or water play!

Welcome Back to Our Families!

It is so great to welcome back some of our younger children from last year and also welcome some new friends to our pre-school family.

Thank you so much for all your support in following our COVID-19 operational procedures (these were sent by email, if you would like a copy please let me know).

It is strange for us not to be allowed family members in to pre-school on arrival and collection, as this is something we have always valued, you spending some time with your child(ren) at pre-school and us getting to spend some time with you too. Hopefully we can find new ways to connect during our COVID-19 operational times. We will be doing some 'parents evening' type telephone or video calls toward the end of October, when we have a better idea of each child's interests and developmental stage, so we can plan learning journey targets together. However, please feel free to call us at pre-school for a chat anytime before that. We value finding out more about your child(ren) from you, as you are the expert on your child(ren).

Committee AGM (Annual General Meeting)

We are a registered charity and committee managed pre-school. Our AGM is on Tuesday 13th October at 7.30pm and we would love to welcome new committee members to support the running and development of your village pre-school. If you would like to attend the meeting, this can be at pre-school or via video call. Please speak with Sarah O'Toole, setting manager, for more information.

World Mental Health Day – October 10th

The organisation Mind is helpful for information and support around mental health, how to get help, or support others. www.mind.org.uk

Thanks to ASDA, for their community donation of £300

The ASDA logo consists of the word 'ASDA' in a large, bold, green, sans-serif font.
