01726 813 356

## Tree-School has a new location for Summer 2020, at CHICKS!

Every week there will be a different theme or intention and activities include: plant and animal identification, tool work, mapping, nature crafts and sensory activities. Each session the children will cook their own snack, on a campfire that they build together.

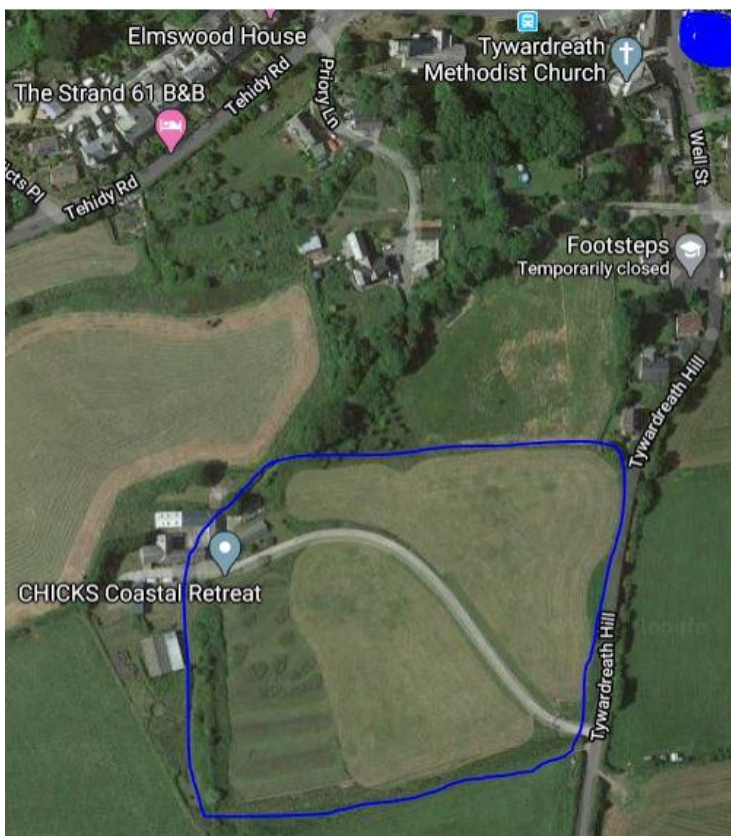

The sessions will be run by Sarah O'Toole, who is a qualified and insured Level 3 Forest School Leader. Another two members of pre-school staff will also be in attendance.

Tree-School will run in most weathers, even the rain. The exception will be if the MET office issues a yellow or higher weather warning and we feel it would be unsafe to run the session.

**Tree-School Pre-School has its very own Facebook Page – [www.facebook.com/tywtreeschool](https://www.facebook.com/tywtreeschool)**

**On the map, the blue dot on the top right is pre-school and the blue outline is the huge space for Tree-School at Chicks!**

## Tree-School Kit List

Children should attend Tree-School dressed with their legs fully covered, in wellies or waterproof closed toe shoes, with socks. Please apply sun cream to your pre-schooler before they arrive at pre-school. We will usually wear wellies and waterproof trousers on the field, children are welcome to bring their own, or we can provide them.

Children should bring a rucksack, containing the following:

- A complete change of clothes, including spare jumper, trousers, underwear and socks
- A waterproof coat
- A drink bottle, containing water, labelled with your child's name
- Sunhat
