

# Forest School Holiday Club

Summer 2020

tywplaygroup@yahoo.co.uk

07968 673 998

## Address:

**Carruggatt Farm, Treemill,  
Par PL24 2RX**

## Directions:

**From Tywardreath, head up  
to the top of the village from  
Pre-School and into  
Treemill.**

**Continue up through  
Treemill, past Wingz Bird  
Sanctuary.**

**Carruggatt Farm is a turning  
on the right, almost at the  
top of the road, at the  
junction to Penpillick Hill.**

**Sarah O'Toole, manager of Tywardreath Pre-School Playgroup, will be running a three day Forest School holiday club, especially for this years School Risers, so they can spend some time together as a group, as they prepare to transition to school.**

This will be offered to our families separately from the Tywardreath Pre-School Playgroup Ofsted registration, and will be run independently by Sarah O'Toole, who is a qualified and insured Level 3 Forest School Leader. Tracey from the pre-school staff team and Tori, our former student will be supporting the session. Both are DBS checked, Level 3 Early Years qualified and known to the children.

The cost of each four-hour session is £15. All this money will go directly to pre-school. Dates are 28/07/2020 18/08/2020 and 25/08/2020, 10am – 2pm.

**Children should be dropped to the pre-school staff at Carruggatt Farm. Please drive down the farm lane, right into the yard. Please take the left fork in between the two stables in the yard towards the house and park there. Staff may direct you to appropriate parking. As the farm lane is single track from the road ALL children MUST arrive before anyone can leave the site, to ensure safety. Therefore, we are asking for your considered punctuality. Please supervise your child carefully in the car park and make your way straight to the meeting point on arrival (as this is a working farm, with the car park containing an open storage building that must not be entered).**

Holiday club will run in most weathers, even the rain. The exception will be if the MET office issues a yellow or higher weather warning and we feel it would be unsafe to run the session.

## **Forest School Holiday Club Kit List**

Children should arrive dressed with their legs and arms fully covered, in wellies or waterproof closed toe shoes, with socks. Please apply sun cream to your children before they arrive. We will almost always wear wellies and waterproof trousers, children are welcome to bring their own, or we can provide them.

Children should bring a rucksack, containing the following:

- A complete change of clothes, including spare jumper, trousers, underwear and socks
- A waterproof coat
- A drink bottle, containing water, labelled with your child's name
- Sunhat
