

Pre-School news

30 Days Wild

Every June, The Wildlife Trust celebrate 30 Days Wild. During this month we like to explore our local environment and take part in the wildlife activities suggested by The Wildlife Trust. This is a great topic to introduce children to the beauty and magic of nature. We will be teaching the children about minibeasts, exploring natural habitats and thinking about ways in which we can help our planet by living sustainably. You can support this topic at home by talking to your child about household items that we can recycle such as plastic and tins. Some children may even enjoy helping you to sort items on bin day! We will also be thinking about shapes and patterns in the environment, such as hexagons in bee hives and patterns seen on shells and petals.

Disco!

Thank you to the huge support for our disco last month, we raised just over £160!

The sun has got his hat on, hip hip hip hooray!

Please may I request that all children are dressed appropriately for the weather and if sunshine is forecast, please ensure your child has sun cream on before they arrive at pre-school. We keep sun cream at school which is factor 50 with a high UVA rating and is vegan friendly. However, if you would prefer your child has their own suncream, please inform us and supply the cream in a named bottle in their bag.

Par Carnival

This year's carnival parade will take place on Saturday 16th July. Pre-School will be entering as always and we would love to invite all of our pre-school children and their families to join us. The theme this year is Jubilee related and we are entering as The Mad Hatters Tea Party. There will be opportunities for the children to make their costumes and of course, we welcome any support from parents. Please speak with a staff member for more information or to let us know you will be joining us on the day. Last year we were very fortunate and had Walter Baileys carry most of the pre-schoolers around on a tractor and trailer. We are hoping for a similar thing this year. More info to follow.

JUNE DATES FOR YOUR DIARY

- 6th - Summer Term starts
- 21st - Committee Meeting

As always, thank you for the continued support of our families and the community,

Tracey Lewarne
Setting Manager
